About the Arden

Founded in 1988, Arden Theatre Company is a professional regional theatre offering the highest quality theatrical productions and educational programs to the artists, audiences, and students of Greater Philadelphia. Each year, we produce the Mainstage season and Arden Children's Theatre, the city's first resident children's theatre. From our productions that reach over 100,000 audience members each year to our educational outreach programs that inspire and empower 6,000 students in schools across our region, the Arden stands out as a haven for shared stories and a vital incubator to create new work.

The Arden has been an important force behind the vitality of the Old City neighborhood and in the Philadelphia cultural landscape. In the 2023 / 2024 season, the Arden produced five Mainstage and two Arden Children's Theatre productions, resulting in 375 performances seen by more than 85,000 people. The company is focused on returning to its previous performance levels of FY19, where we produced seven Mainstage and two Arden Children's Theatre productions resulting in 508 performances seen by more than 106,000 people.

Mission

Arden Theatre Company is dedicated to bringing to life great stories by great storytellers on the stage, in the classroom, and in the community.

Great stories on the stage: We produce a wide range of stories in a variety of styles: classic and contemporary, intimate, and epic, fiction and nonfiction, musical and dramatic. Producing the great playwrights allows us to measure ourselves against the masters of our craft while sharing the voices of new writers gives us the opportunity to shape the future of American theatre. We embrace stories for audiences of all ages and bring the same artistic quality to all our work.

Great stories in the classroom: Kids are celebrated at the Arden. We nurture curiosity, creativity, and confidence through our educational programming. We foster connections between theatre and reading and promote literacy for our young audiences. We reach thousands of students each year, introducing many of our region's kids to theatre for the first time.

Great stories in the community: We believe in the power of stories to bring people together. We work to build a vital community of artists who excel creatively through shared experiences and with whom our audiences identify. The Arden strives to be Philadelphia's hometown theatre; we seek community partnerships and collaborations, make our work affordable and accessible, and train the next generation of theatre leaders, contributing to the region's cultural landscape.
